For Democratic Governance: Heads of Departments are authorised to sanction short duration leaves to their staff members, are authorized to sanction local expenses made on internal assessment, holding personality development seminars, workshops etc. HODs take feedback from students to improve our system of working. Faculty advisor teacher is nominated for each class to help the students for expressing their views and expectations and problems.

10 Student feedback mechanism on Institutional Governance / faculty performance

Any staff member is allowed to approach HOD, Principal or put down his/her grievances to any key senior person which are discussed in our concerned committee meeting and amicably sorted out. Student's grievance is solved as per University guidelines. Heads of departments along with Principal decide procedure for implementation of academic calendar taking into confidence all staff members especially faculty members.
